

TRUST APPLICATION FORM

Please answer the questions on this form as comprehensively as possible as we will rely on this information when managing the Trust's portfolio. A suitability assessment will be carried out prior to the account being opened and may be revised at any time given changes in the Trust's circumstances or preferences. This form and the attached Terms of Business together constitute our agreement with the Trust and are hereafter referred to as "the Agreement". The Agreement is made between R.C. Brown Investment Management PLC (RCBIM) (registered office: 1 The Square, Temple Quay, Bristol BS1 6DG. Registered in England No. 2489639) and the organisation represented in the declaration below.

Risk Profiling & Investment Strategy

Please consider the following list of investment models and select the one which most closely matches your objectives and attitude to risk:

Very High	
High	This strategy can be created on request, please contact us to discuss your requirements.
Medium / High	Growth: This strategy is designed purely for capital growth and as such returns may be volatile especially in the short term.
Medium / High	Balanced Growth: This strategy prioritises capital growth over income and as such returns may be volatile especially in the short term.
Medium	Balanced: This strategy is designed to achieve a balance of income and capital growth over time.
Medium	Cautious Balanced: This strategy is designed to generate an income which can grow modestly in real terms over time whilst retaining the potential for modest capital growth.
Medium / Low	Cautious: This strategy is designed to produce a reasonably high level of income without unduly restricting the potential for capital growth.
Low	Conservative: This strategy can be created on request, please contact us to discuss your requirements.
Low	Defensive: This strategy can be created on request, please contact us to discuss your requirements.
Very Low	

Or

Manage the portfolio in accordance with the bespoke strategy outlined in my Investment Management Proposal document.

Please note that all of the above models contain equity-based investments which will fluctuate in value and you may not get back the amount originally invested.
